

Universal joint shaft SWC Series

Type BH  
Standard flexible welded type

Type BF  
Standard flexible welded type

Type DH  
Short flexible welded type

Type CH  
Long flexible welded type

Type WH  
Non-flexible welded type

Type WF  
Non-flexible flanged type

Type WD  
Short non-flexible type

Universal joint shaft SWC Series

Parameters and Specifications of Coupling Model SWC

Table 1

Model	Gyration dia. D	Nominal angular force Tn kN • m	Fatigue angular force TK kN • m	Axis angle $\beta \leq$	Dimensions mm
